Hamilton Fish Armstrong, Esq.
Editor, Foreign Affairs
58 East Sixty-Eighth Street
New York 21, New York

Dear Ham:

Foster replied to my note that he had the same thought regarding his Quantico talk and has a copy of the transcript and said he may ask you if you can turn it into an article for Foreign Affairs. If you don't hear from him in due course, you might drop him a line, or give him a call.

Sincerely,

(Signed) ALLEN W. DULLES
